

What Leaders Do

Dave Browning

Arrows Out Workshop, 2009

At CTK we take a different view of leadership than many churches:

1. We see the role as more important than most.
2. We see the personality as less important than most.

The subject of leadership is multi-faceted. You can approach it from several angles, including:

- Character
- Vision
- Communication
- Management
- Teamwork

The two major functionalities of leadership:

1. Leaders See What Needs To Be Done
 - a. They Define Reality
 - b. They Envision a Preferable Future
2. Leaders Do What Needs To Be Done
 - a. They Enlist Others
 - b. They Follow Through
